

How to Apply for Funding from Global Change for Children

The directors of Global Change for Children would like to thank you for the many proposals we receive every year. There is so much need, and so many organizations doing some really amazing work. We unfortunately can't provide funding for all proposals we receive but the ones we do accept meet certain criteria.

GC4C Proposal Criteria and Required Information:

- MUST be a Canadian registered non-profit organization and provide registration information
- Must be non-partisan (not aligned with political, religious or ideological causes)
- Proposed projects must support CHILDREN (under 18 years) and promote one or all of the following: education, health, and/or social and economic progress of children
- Because most of the GC4C team is affiliated with the mining industry and receives a large portion of its funding from this sector, organizations making proposals should not be anti-mining

Other Information and Important Criteria:

- We like to partner with established charities with similar values to our own, which include demonstrated and measurable respect, transparency and integrity
- We avoid "slush fund" projects and prefer projects in which GC4C can be responsible for a specific project, or a part of a project
- We look for projects that will become sustainable
- We look for low administration costs and DO NOT fund wages/salaries, or training programs for instructors
- We like to assist smaller organizations, those overlooked by large government funding
- We like to impact many children's lives directly, and look at how many children might benefit per proposal

Please be aware that if a project is selected for funding, we ask organizations for the following:

- An accounting of 100% of funding received from GC4C (ie. A demonstration that the funds were spent on the approved proposal)
- An opportunity for a site visit by one or more of the GC4C volunteers, if requested
- An opportunity for a GC4C plaque, or logo, to be put up at the proposed site, or some other agreed form of recognition
- Updates, along with photos, of the project (through to completion) that we can use on our website

In order to be considered for funding, please provide us with the following:

1. **A proposal of between 2 - 5 pages, including pictures**, which are always welcomed. (There will be an opportunity to provide more detailed information once the above criteria are met.) Please submit the proposal to your GC4C contact, or to info@gc4c.org. The deadline for submissions is **March 31st**.
2. **A completed Funding Request Form** (attached below). Please email the completed form to your GC4C contact, or to info@gc4c.org. The deadline is **March 31st**.

GC4C Funding Request Form - Please fill in the following

Name of Organization: _____

CRA Non-Profit Registration number: _____

Contact Person: _____ Tel: _____

Email: _____

Website: _____
